

Project Update:

Latest news from Australia's 'small but mighty' offshore wind project, Blue Mackerel.

11 March 2026

Updated Stakeholder Engagement Strategy

We've published an updated version of our **Stakeholder Engagement Strategy (SES)** for the current **Metocan and Geotechnical Investigations Management Plan**. Following progress of our activities and further consultation, this strategy reflects updates over the past year.

View the SES [here](#) and Management Plan summary [here](#)

Keep an eye on our [events page](#) for the latest updates.

March engagement events

Join us at Wellington Sustainability Festival in Sale! Ask our team anything, learn more about the Blue Mackerel project, and try out our interactive visualisations. You'll find us at the dedicated offshore wind information stand alongside other Gippsland Offshore Wind Developers.

We acknowledge the Gunaikurnai people, the Traditional Owners of the land and waters where the proposed Blue Mackerel offshore wind project will be located. We pay our respects to their Elders past and present.

We aspire to a genuine partnership with the Gunaikurnai people that delivers mutual benefit and enhanced stewardship of the environment for the benefit of present and future generations.

We acknowledge the rights and responsibilities of all First Nations peoples for their lands and waters where we operate
